Certifichiamo **la qualità** *Certified Quality*

Tutti i nostri articoli sono stati analizzati da laboratori accreditati e sottoposti a test regolari per assicurare la conformità alle normative in vigore.

All our products are tested by accredited laboratories and undergo regular testing to ensure compliance with applicable regulations.

“ Compostabile: non basta dirlo, bisogna **certificarlo ”**
*“ Compostable: it's not enough to claim it, it has to be **certified** ”*

I nostri prodotti compostabili sono certificati secondo lo schema di certificazione **OK compost INDUSTRIAL**, basato sulla **norma EN 13432**, che definisce i requisiti per la compostabilità dei prodotti in condizioni di compostaggio industriale.

Per i prodotti certificati, su richiesta del cliente, è possibile riportare il marchio "OK compost INDUSTRIAL" e il relativo numero di certificato, secondo le condizioni previste dallo schema di certificazione.

*Our compostable products are certified according to the **OK compost INDUSTRIAL** certification scheme, based on the **EN 13432 standard**, which defines the requirements for the compostability of products under industrial composting conditions.*

For certified products, upon customer request, the "OK compost INDUSTRIAL" mark and the relevant certificate number may be displayed, in accordance with the conditions of the certification scheme.

“Siamo **trasformatori di una materia prima importante e di una risorsa da salvaguardare”**

*“ We **transform** a valuable raw material and a resource that must be preserved. ”*

Per i prodotti idonei e su richiesta del cliente, è possibile utilizzare carta certificata, proveniente da foreste gestite secondo principi di **gestione responsabile**.

La possibilità di scegliere **materie prime certificate** rientra nel nostro impegno a favorire approvvigionamenti attenti all'origine e alla gestione delle risorse.

*For eligible products and upon customer request, certified paper sourced from **responsibly managed forests** can be used.*

*The option to choose **certified raw materials** is part of our commitment to promoting sourcing practices that take into account the origin and responsible management of resources.*
